

## **Covid-19 Guidelines**

We are very lucky to be able to continue running our induction training course during the current time.

We are prepared and are doing everything we can to ensure the safety of you and our teams.

The below guidelines are to be followed strictly.

- Face Masks, face shield and full PPE to be worn during training sessions, in communal areas and if you are interacting with another person. (Exceptions in communal areas when you are eating/drinking). A negative lateral flow test will need to be presented daily; all instructions are in your room.
- Hands are to be washed upon every entry of a new room/building.
- Social distancing **MUST** be adhered where possible and it is your responsibility to protect yourself at all times.
- Your accommodation/communal areas must be kept clean and tidy at all times.

**If you develop any form of Covid–19 Symptom during your induction training including persistent cough, high temperature, loss of taste or smell etc. you must make us aware straight away.**

You will have your own bedroom during your induction training.

All other accommodation details can be found in the confirmation letter.
